SOURCES

CAREER DEVELOPMENT

For over 25 years, SOURCES Career Development has been a hub for work-ready clients who are eager to work for your company.

**THE PERFECT FIT IS OUT THERE.
LET'S FIND THEM TOGETHER!**

BENEFITS OF WORKING WITH SOURCES

Free Placement: As a community non-profit organization, we do not charge employers for placement services. You'll find qualified, motivated workers at no charge.

Matching Your Needs: It is crucial to match the right worker with the right job and employer. By learning about your needs and company culture, we will send you candidates you want to hire, saving you time and money.

Motivated Workers: Each candidate we send your way will have a clear understanding of how they positively affect your bottom line so they can be an asset to your business.

Retention Services: Because we continue to work with our candidates after placement, we can assist in minimizing and resolving any challenges as our candidates settle into the job.

Community, Social and Economic Growth: Our entire community benefits as residents become tax-paying citizens and realize their career goals.

Your partnership with Union Station Homeless Services will not only directly improve the lives of the community members in need, but also the lives of your current employees. You and your staff will have the opportunity to volunteer with us, engage in lunch-n-learn presentations, attend inspiring fundraising events, and rebuild our community, one hire at a time.

YOUR SOURCE FOR GREAT CANDIDATES

SOURCES clients have already shown their commitment and work ethic by participating in Sources workshops and Job Club. Our workshop-style programs are designed to focus on motivation, workplace etiquette, proper job search techniques, and other soft skills. We offer continuing counseling with job retention and assistance with other employment-related issues.

Our goal is for you to find a motivated worker, our clients to find purposeful employment and both parties to have a strong working relationship.

HOW TO HIRE A SOURCES CANDIDATE

- Call SOURCES at 626.379.3278 or send an email to sourcesreferral@unionstationhs.org
- Share with our staff member the details about the job and we'll get to work to find you the right candidate.
- SOURCES will find the right candidate for your position and put him or her in touch with you so you can set up an interview.
- Once a candidate is hired, our team continues to foster the relationship to ensure success in their new role.
