

Adopt-a-Meal Program

Looking for an impactful volunteer opportunity for your team or organization?

Union Station Homeless Services relies on the support of volunteer groups to provide daily home-cooked meals to shelter residents and community members in need. If your family, corporation, or civic group would like to cook and serve a meal at one of our shelters, consider sponsoring an Adopt-a-Meal!

Option 1: Cook a Meal

Select a menu of your choice, shop for the ingredients, cook the meal in one of our kitchens (Family Center or Adult Center), and plate & serve the meal to our residents.

Option 2: Purchase from a Local Restaurant

Purchase the meals from a local restaurant and drop them off at our shelters or have it delivered! Our staff can then serve the meal on your behalf!
